NOUR'S STORY

Nour has seen so much suffering in her 15 years.

Her family fled in fear for their lives. Her father was killed in front of her eyes. Desperate for help, they arrived at the door of Sabra Centre run by the Department of Service to Palestinian Refugees in Lebanon.

When Nour first turned up for “Children on the Go”, a special class for refugee children, she wouldn’t look or talk to anyone.

Nour would only use black and white crayons. But a few weeks into the class, colour began to creep into her drawings and soon enough, she stopped sketching images of horrors.

Slowly but surely, Nour began to smile. Her deep sad eyes began to twinkle. “I love to draw,” she said shyly, “but mostly, I love to read.” “My dream,” said Nour, now 15 and smiling widely, “is to become a teacher.”

WHAT THE MONEY RAISED WILL DO

- Provide food rations and vouchers so families can supplement what they get from the United Nations.
- Free medical days in Jordan's refugee camps thanks to volunteer medical staff from Jordan's hospitals.
- Forums so children can play, learn and have fun away from the often bleak reality of their daily lives.

Food for life

FOOD FOR LIFE focuses on eating. You can eat food similar to an emergency food parcel in Jordan for 2 or 5 days or spend \$32, equivalent to a cash voucher in Lebanon. We have Food Boxes to give away to the first 40 people who sign up and raise \$87.

Host a Pop-up Banquet and share food in return for a donation. Invite a local, former refugee, family to share their experiences with you and your guests. We maybe able to put you in touch with someone.

Walk the talk

WALK THE TALK is a walking challenge.

Refugees who flee their homes can walk a long way. Many Rohingya refugees walked 60 km to Bangladesh. Stand in their shoes. Set a goal for yourself, walk as a team or organise an event.

Signing up online is easy. There is a handy resource guide with everything you need to help you with your challenge.
