ACTION AGAINST POVERTY
actalliance

**This Christmas
we are focusing
on helping our
Pacific partners
to provide
sustainable solar
energy**

Give Light Give life

**“And God said, “Let there be light,” and there was light.”
Genesis 1, V3**

**This is not just an energy project. It is light becoming life –
supporting health, education, safety, livelihoods, and hope.
It is a story of remote communities stepping into a
brighter, safer, more resilient future.**
