GIFT GIVEN:
Life lifted

At Christian World Service we believe that life without hope is unjust. Scripture is clear that God never intends anyone to be without hope.

In Aotearoa New Zealand, we are blessed. Our desire is to bless others and to ensure they know they are not alone, that someone, somewhere is thinking of their plight. Maybe also praying for them as well. Then they receive that gift and it says “you are my neighbour” and their lives are lifted.

Just one of these gifts from you can restore hope for people caught in poverty and injustice for no fault of their own. You may even wish to give more than one gift.

Please select your gift today.

The result of this will be new hope for many of the world’s most vulnerable.
Thank you.

Selecting a Gift
AND HOW IT WORKS

1. FOR THOSE MOST VULNERABLE

Firstly, thank you for your compassion and generosity. Your donation will be forwarded to our trusted partners who will apply them in the following areas to give hope to some of the world’s most vulnerable people:

- Water and sanitation
- Food and agriculture
- Child health, welfare and education
- Livelihood boost
- Emergency relief
- Energy

You will see which gift is applied to which area in the catalogue.

2. FOR YOU, YOUR FRIENDS & FAMILY

Many Gifted supporters share their cards with friends and family as Christmas gifts. This is a wonderful way to spread the message of compassion that is the central theme of the Christmas season.

Steps for ordering

- 1 If you prefer to have your cards posted to you, mark your Gift (s) on the tear off order form and post it to CWS in the pre-paid envelope.
- 2 Or you can scan the QR code which will take you to www.gift.org.nz where you can order online. There you will also be able to choose an e-Card Gift if you prefer.
- 3 Either card option provides you space to write a personal note if wanted.
- 4 If you have any questions at any time, always feel free to contact us on 0800 74 73 72. We will be delighted to take your Gift order that way also.

“I believe that, as long as there is plenty, poverty is evil.”

President John F Kennedy.

Celebrating 81 years

When CWS began in 1945, 1.5 billion people—6 out of 10 of the world’s population—lived in extreme poverty. Today, about 10% (1 out of 10) of 8.3 billion people do. That is still 830 million people — an unacceptably high number.

That remaining and staggering scale of poverty and injustice compels CWS to continue our mission. Without people like you, our work with the world’s most vulnerable would not be possible.

Thank you for helping us bring life-lifting hope to people facing poverty and injustice through our trusted local partners. Every gift from this catalogue helps to reduce the rates of poverty in our world.

Thank you again.
